Dear Noreen Ippolito,

As a listener of your station, I am urgently requesting that you immediately stop airing the misleading ads attacking Proposition 56. These ads are false. Proposition 56 saves lives and protects our children by keeping them from smoking and by funding school-based tobacco prevention & cessation programs. So when Big Tobacco runs ads falsely claiming that no money from the proposed tobacco tax would go to schools, they're lying.

Please remove these false, misleading ads from your airwaves. You have no need to make money from purveyors of death and illness.

Thank you.
